

# RUNNERS OF THE YEAR 2011

## YOUTH, MASTERS & GRANDMASTERS

Here are the top NEPARunner.com runners in the age categories listed on the winner's page <http://neparunner.com/archives/win2011.html> for 2011.

Winners are listed for results posted here at NEPARunner.com for races in Luzerne, Lackawanna and Wyoming Counties. Runners who ran only local listed events are considered, some runners may be of world class or elite stature from our area, but it is impossible accurately determine, since there are so many events that could have been considered. It is also meant to honor those who participated in listed events.

Results may have been compiled by NEPARunner or submitted by the race director or other sources. Some info may have not been submitted and was not included in the scoring. An example being results were submitted without age listing, therefore no Youth, Masters or Grandmasters were listed. Also when the results were submitted the director may have not listed a masters, youth or grandmaster winner because he or she may have been an overall winner.

Scoring is as follows, Column A, three points for "TOP in Group", Column B is bonus points for finishing in the top 5 overall in an event, as listed in the Overall standings.
