About our Race

Runners and walkers alike will enjoy participating in this fun event hosted by the Waymart Lions Club. Our course has something for everyone and has been described by many as one of the most scenic and challenging courses in the region.

We wheel measure our course for accuracy each year and utilize RFID chip timing to ensure consistent results.

The Camp Ladore section of our course is located on private property owned by the Salvation Army. Participants will not have access to this section of our course prior to the race.
